Going to the Moon!

Hallo, children. Today we're having a film of the first journey to the Moon.

Here are the astronauts. Their names are Neil Armstrong, Buzz Aldrin and Michael Collins. They're putting on spacesuits and helmets.

Now they're walking to the rocket. The name of the spaceship is Apollo 11.

They're lying inside Apollo. They're waiting for the countdown.

Listen to the countdown—20, 19, 18, 17, 16, 15, 14, 13, 12, 11, 10, 9, 8, 7, 6, 5, 4, 3, 2, 1, zero. Lift-off! The rocket's firing! They're going to the Moon!

Now the last stage of the rocket's falling off. The astronauts are in space! They're looking at the Earth.

Aldrin and Armstrong are going into the lunar module. Its name is Eagle. Collins is staying in Columbia.

Eagle's landing on the Moon.

Buzz Aldrin's coming out of Eagle. Neil Armstrong's coming out, too.

They're walking on the Moon and putting up the American flag.

Now they're back in Eagle. They're leaving the Moon to join Columbia. They're going back to Earth.

Their journey is over. They're landing safely in the sea.

Speaking cards jsou kartičky, které se po nastříhání položí tzv. “face down” na hromádku na stůl. Každý hráč si postupně bere jednu kartu, přečte nahlas otázku nebo úkol a zodpoví/provede.

U odpovědí trvejte na tom, aby neodpovídali pouze stylem “Yes, I do.” nebo “No, I’m not.”, ale použili více vět. Můžete navést spoluhráče, aby se ptali několika otázkami.

Zodpovězenou otázku hráč odloží “face up” na vedlejší hromádku. Po zodpovězení všech kartiček hráči otočí hromádku karet opět “face down” a mají nachystanou hromádku na další kolo. Pokud by se stalo, že hráč, který je na řadě, dostane stejnou kartu, podstrčí ji pod hromádku a odpovídá na kartu další v pořadí. Tímto způsobem všichni hráči odpovídají na všechny otázky. (z instruktážních materiálů ke kurzům pro učitele)
