

Dear teachers and friends from the Belgrade conference

As promised, here are the texts of the games I used in my presentation.

However, they are not all, some are taken from my books.

Even though, you can enjoy these games and let me know if they work with your students!

Thank you and I wish you good luck.

My small brother	Jimmy has got a lot	of toys in his room.	There is a big
toybox under his bed.	On the floor	there are seven cars.	Four of them are red, two are
blue and one is yellow.	There is	a scooter next to the bed.	There are two teddy
bears on the shelf.	A kite is	hanging from the ceiling.	There is a ball under
the chair.	There	are some blocks on the table.	There are crayons in
the pencil case.	Many picture books	are in his bookcase.	There is a Superman's
costume over the chair.	There is a dart	board on the wall next	to the bookcase.

The Sleeping Beauty dominoes

The Sleepin g Beauty

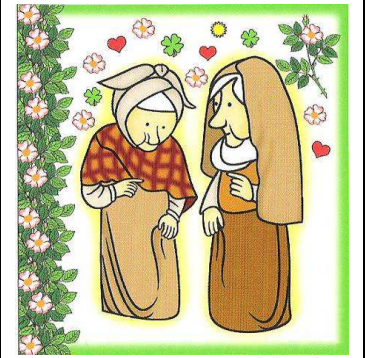

*Far, far away
there is a
Kingdom.
A wise King rules
the country.*

*His wife is
beautiful.
She is a Queen.
She is very sad,
because they have
no children.*

*Only after a long
time is their little
daughter born.
She is lovely.*

*The weird sisters
stand above the
cot and wish the
baby all the best.*

*However, one of
them wishes her
something bad.
The princess is
going to die after
a sharp thing
prickles her.*

*The scared King
orders to destroy
all sharp things in
the Kingdom.*

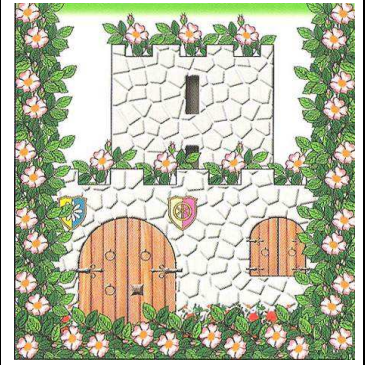

*Sleeping Beauty is
not a baby any
more. She is a
beautiful young
girl. She is sixteen,
it's her birthday
today.*

An old lady gives her a present – a rose. When Sleeping Beauty takes the rose, one thorn prickles her finger

At that moment Sleeping Beauty falls asleep.

At the same time everybody falls asleep. The roses wind up around the walls of the castle.

A brave young Prince comes to the rose hill. He wants to find the beautiful Sleeping Beauty.

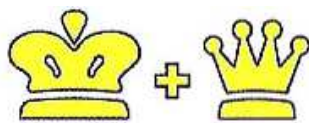

He starts to cut the branches, the thorns and the roses. Soon he finds the sleeping girl.

He gives her a kiss and she opens her eyes and wakes up.

The Prince marries Sleeping Beauty and they live there happily together.
